

FUNDING FOCUS Cardiac Rehab Scholarships

February is American Heart Health Month and LMHF is proud to participate every year in #GoRedDay to raise money for our Cardiac Rehab Scholarship Fund. Staff from all across the hospital pay \$5 to wear jeans and their favorite red shirt to show their support for our Cardiac Rehab Scholarship Fund. The Cardiac Rehab Scholarship Fund provides financial assistance for under-insured/uninsured patients in need of cardiac rehab services. If you would like to support our Cardiac Rehab Scholarship Fund please visit www.logansportmemorial.org/Donate and select the Cardiac Rehab Fund.

DRUG TAKE BACK DAY

The Logansport Memorial Hospital Foundation and Logansport Memorial Hospital will be hosting our third annual Drug Take Back Day.

Once again we will be partnering with the Cass County Sheriff's Department and the Logansport Police Department, in addition to the Drug Enforcement Administration this year to host Drug Take Back Day. Staff from LMH, the Sheriff's Department, and Police Department and members from the Drug-Free Communities will be located in the circle drive of the hospital and we will walk out to your car as you drive up to take unwanted, unused or expired prescription and over-the-counter medications. If at all possible, please bring your medications in the original bottles, all identifying information will be disposed of properly.

Needles and syringes, along with pet medications can also be accepted. If you are bringing needles/syringes, please put them in a separate bag when you drop them off that day.

The following items cannot and will not be accepted:

- Liquid medications
- Inhalers
- Aerosol cans
- Mercury thermometers
- Iodine-containing medications

This event will be at Logansport Memorial Hospital's main campus in the circle drive on Saturday, April 22 from 10 AM - 2 PM. For more questions, call 574-753-1573.
